We Believe In...

Helping You Find Joy in the Journey

Our goal is that Swan Falls residents enter our door and begin a new chapter of their lives...one that is filled with joy in their journey, where they can discover new hobbies, set and achieve new goals, and establish life-long friendships.

Providing an Exceptional Environment

Research shows that aging well-both physically and mentally-is largely dependent on lifestyle. Swan Falls' culture of respect for our residents and staff is our way of ensuring that our residents feel valued and worthwhile. Our mission is to help our residents continue to have opportunities for personal growth and development for a fulfilling and purposeful life.

Offering the Best Services Possible

Our services are specifically designed for those whose health care needs are changing, and our goal is to help each resident maintain the greatest possible independence and quality of life. Swan Falls provides an environment where residents receive assistance with all talks of daily living, yet continue to have their privacy and dignity in beautiful, spacious rooms with private baths. Our staff is trained to work with each resident and his/her family to create a customized care plan.

Call For a Tour

We encourage potential residents and/or their family members to come and tour our facility as they big the search for a safe, comfortable, and appropriate assisted living home. All those involved will be included in discussion about the resident's current needs and possible future needs. The staff will be available to answer all questions to ensure Swan Falls is a good fit for potential residents.

Choosing Swan Falls Assisted Living as your new home means that you can relax and allow us to do the work gathering the medical information we need to complete your admission. We will contact your primary care physician, pharmacy, and coordinate any other services needed.
